September 15, 1976

[redacted]

NOTE FOR: DDCI

A recent Jack Anderson story referred to a November 1963 (?) CIA cable, the subject matter of which had some UK journalist observing Jack Ruby visiting Trafficante in jail. Is there such a cable? If so I would like to see it.

This is the same cable that Mike Madigan, Minority Counsel for the SSC, has asked for.

George Bush

O.K.
